

WORK EXPERIENCE

YCCC Peer Math Tutor, 2022 - Current

Address: 112 College Dr, Wells, ME 04090 - Phone: 207-216-4300

I help students understand math and other college related problems by explaining it to them in new and different ways until something clicks.

Native Maine Produce & Specialty Foods, 2021 - 2022

Address: 10 Bradley Dr, Westbrook, ME 04092 - Phone: (207) 856-1100

I quickly packed boxes with food products while constantly navigating and helping others navigate the warehouse. I also solved any problems that came up.

EDUCATION

Horace Mitchell Primary School, Grades: k-3

Address: 7 School Ln, Kittery Point, ME 03905 - Phone: (207) 439-1707

From 2009 to 2013 I started learning math, created my own math problems, had my art displayed outside the school, and won my first academic awards

Shapleigh Middle School, Grades: 4-8

Address: 43 Stevenson Rd, Kittery, ME 03904 - Phone: (207) 439-2572

From 2013 to 2017 I got some more academic awards, built a flashlight from scratch, joined a coding club, and learned my first bit of web development

Robert W. Traip Academy, Grades: 9-12

Address: 12 Williams Ave, Kittery, ME 03904 - Phone: (207) 439-1121

From 2017 to 2021 I took some advanced classes including computer science classes, joined more tech clubs, and overall prepared for my future

York County Community College, GPA: 3.7 (37 Credits)

Address: 112 College Dr, Wells, ME 04090 - Phone: (207) 646-9282

From 2021 to now I've been working towards an associates in computer science
